DIRECTOR'S CORNER:

Summer is upon us and we have more rides and events scheduled than I can keep up with. By the time this HOGWASH edition hits cyberspace many will have returned from the 1st unofficial “When HOGS Float” cruise attended by many of the Atlanta Chapter members, family members and guests. Hopefully it will be a great success and become an annual event. There are some exciting events that lie ahead, such as the V-Plex Fireworks July 3, Georgia BBQ Run, Ride to Adairsville Inn (led by one of the newest Atlanta Chapter road captains Mike Sangster), Bikes and Beauties sponsored by the Atlanta dealership with Atlanta HOG coordinating the Bike Show for the event. Other rides that have been slated for July are the Warm Springs/Bullock House, Show and Shine Friday Night Drags Ride, the Biker’s Battling Breast Cancer annual event July 20 & 21st, Plastic Ass / Candy Ass Ride (now here’s a creative ride name) to Mobile, AL and back, the Providence Canyon ride along with other rides and events listed on the HOG calendar. Many of our HOG family are making plans to attend the Harley-Davidson 110th Anniversary in Milwaukee (Aug 29-Sep1) followed by the long awaited Georgia State H.O.G. Rally in Hiwassee, September 12-15. This is the third year for this event to be held in Hiwassee. If you have attended this rally in the past then no explanation is needed. If you are a new member or just haven’t made the trip to Hiwassee I would encourage you to do so. These rallies have been some of the best ever and are well attended by the Atlanta HOG family thus it is an excellent venue for meeting the Atlanta folks, HOG members from other Georgia chapters, states, and some from around the world.

On Memorial Day, May 27th, Nancy and I attended the Memorial Day Service in Smyrna honoring those Americans who died in active military service for our country. The speaker was SFC Mike Slitz, a retired Army Ranger, 36 years of age, who along with his driver, gunner and medic fell victim to an I.E.D (improvised explosive device). His entire crew was killed by the blast, throwing Michael away from his truck. He was burned over 85% of his body, lost both hands and was left severely disfigured. He spent four months in a medically-induced coma and has endured 78 surgeries. SFC Slitz, in his address, gave great testimony to the character, integrity and devotion of those that serve in our military forces. With this being said, Harley-Davidson of Atlanta is sponsoring the Operation Sandbox “Ride for the Troops” on September 28th. The Atlanta H.O.G. Chapter has participated in Operation Sandbox for some years by donating non-perishable items needed by our soldiers. Please consider your part in this opportunity to assist our soldiers by providing some of these items. We will have a collection box available at future chapter meetings for this purpose. A list of these items is available at the following web address:

http://www.operationsandboxga.com/needs/needs.php

As I said, summer is here! Come and join us on a ride and enjoy the fellowship of the Atlanta H.O.G. family. I look forward to seeing you at the next event.

Pig Ride Legend

**One pig:** Non-curving terrain and a ride of short duration (50 miles round trip)

**Two pigs:** A few gentle curve and be a bit longer (100 miles round trip)

**Three pigs:** Long ride (200 miles round trip) with curving terrain and urban area traffic.

**Four pigs:** Lots of curves, some with “decreasing radius” turns and/or cover a major distance requiring a good deal of technical skill and stamina. Major traffic such as I75 can be part of this rating.

**Five pigs:** Most difficult category due to the severity and number of curves combined with a long ride. The Southern Highroads Trail, Suches, and Gatlinburg would fall into this category.

ASSISTANT DIRECTOR’S CORNER:

It's hard for me to believe that 2013 has hit the halfway mark! By the time you read this the unofficial chapter cruise event will be in the history books. It's unofficial because motorcycles and deep water just don't mix. I've had a great time with some of our other members planning and joking about things we planned to do! I'm sure embellished cruise stories from the trip will be told well into the future. Our chapter seems to have a good time wherever we go! Check out the calendar and find something that appeals to you, whether it's a ride, social event, or volunteer opportunity. Make the most of your membership by participating, you won't be disappointed!

Remember to pre-register for the Georgia State HOG rally in Hiawassee September 12 thru 14. Get the details at gastatehogrally.com

Ride on!

Attendance Jackpot

Congratulations to Gary Griswell whose name was drawn for the June Attendance Jackpot. Gary was not at the meeting to claim the $60. We will add $10 to the Jackpot for the next chapter meeting, $70. Remember you must be at the meeting and a member in “Good Standing,” a current member of national H.O.G. and Atlanta Chapter. If the member whose name is drawn is not at the meeting, we will add $10 and try again next meeting. Please have your National H.O.G. card with you at the meeting. Hope to see everyone there.

OPERATION SANDBOX COLLECTIONS

On September 28th, Atlanta Harley-Davidson is hosting the 2013 Ride for the Troops. This ride is organized by Operation Sandbox. This organization was formed in 2004 by two individuals who just wanted to send a few care packages to someone they knew who was serving our country. The organization has grown and has reached over 86,000 service men and women. The ride that will be held later this year at HDA will help to raise money to fund sending these care packages to our troops. For the last couple of years our HOG chapter has been a supporter of this organization by collecting supplies for the care packages. Typically, we have asked for our members to bring donations at Christmas time but this year we would like to start collecting items now. We will be collecting items from now until the ride on September 28th, so each time you visit the store pick up a few things from the list of items requested and bring them with you to the next HOG chapter meeting. I would love to be able to collect a lot of items to be able to turn over to this organization on September 28th. Below is a list of the items requested by Operation Sandbox.

YESTERDAY AND TODAY: July 2005

Ready for Deployment: Chapter member Gene Bachman wants to announce that his son Gene Bachman III has received orders that he will be shipping out to Iraq on July 23. Gene is due to be in Iraq for at least one year. He has already begun making plans for a V-Rod when he returns in country. We wish Gene safe travel. Our prayers and thoughts will be with the Bachman family, as they are with all those who serve that we may have the freedoms we cherish in this country. Thank You Gene, Godspeed.

SHOW & SHINE /FRIDAY NIGHT DRAGS
Friday, Jul 19, 2013
HDA 6:30 PM KSU 7:00PM
Road Captain: Matt Langley

Friday Night Drags is a heads up, street-style drag racing series on Atlanta Motor Speedway's eighth-mile pit road. Averaging 225 drag racers and 90 show cars in front of nearly 5,000 fans nightly, Friday Night Drags has become one of the Speedway's most-popular events with local racing enthusiasts. Drag racing action is open to any automobile and any driver possessing a valid driver's license. In addition to the on-track drag racing action, a Show N' Shine car show also takes place each Friday night. All vehicles are welcome to enter and awards will be given for the top-three finishers in each class. Spectator entry for Friday Night Drags is just $8. Competitors pay $20 to drag race or enter the Show-N-Shine, or a combo-ticket to enter both can be purchased for $30. Outside parking is free or fans can park on the Speedway's Infield for close proximity to the action for just $20. Motorcycle parking is free on the Infield. Pit gates open at 6:00 p.m. for competitors and grandstand gates open at 6:30 p.m. for fans. Show-N-Shine entries are accepted until 7:15 p.m. and a mandatory drivers meeting will begin at 7:30 p.m. The drag Tech Area will open at 6:00 p.m. and practice runs begin at 6:15 p.m. and run through 8 p.m. A driver's meeting will take place at 8:25 p.m. Drag racing eliminations begin at approximately 9:19 p.m. and follow Friday Night Drags' nightly Opening Ceremonies at 9:10 p.m. Please note, no minors are allowed in the pre-stage/grid area or winner's lanes and only the driver and one crew member are allowed in winner's lanes. For the Show-N-Shine car show, judging begins at 6:30 p.m. Entrants are invited to participate in a Show-N-Shine Speedway Cruise around Atlanta's 1.54-mile quad oval track at 8:20 p.m., but are encouraged to return to their vehicles before 8:00 p.m. to stage for the Cruise. Following the Cruise, the Show-N-Shine Awards Ceremony will take place at 8:55 p.m. on the Speedway's frontstretch in front of thousands of racing fans.

PLASTIC ASS / CANDY ASS RIDE

HDA 6:00 AM; KSU 6:30 AM
Road Captain: Mark Cothern

Plastic ass/candy ass ride to Mobile Yes I said that right, meet at 6 am!!! This ride is not for the candy asses!!! (Those that are can use 6 am as an excuse not to go!) LOL We’re going to Mobile and back in the same day, mostly all interstate. May stop at the Harley dealer in Mobile to say hey. There will be a 25$ gift card for the rider that has the closest guess to the actual mileage for that day starting from HDA. You will have to give me your guess with your name on a piece a paper before we leave to enter. Lunch will be determined further on down the road.

FALL LEAF RUN VII

Fall Leaf Run VII is not that far down the calendar folks. If you think a room was hard to find and not a wallet buster at the Super Bowl, just try getting a cot in the mountains in peak leaf color season! (Darn windshield tourists)

Well – problem solved. I spent two days on the phone to secure rooms at very reasonable rates for the ‘other’ HOG event of the year. (Editorial license) The agreed costs are either a discount due the number of rooms or in one case; we have the reduced price plus an additional senior discount for everyone regardless of age. (I told her we were a bunch of old fogies who were laid back and hardly ever killed anyone - anymore)

I would strongly suggest that you jump on the frigate before she sails. The earlier you reserve, the more flexible your choices. And remember, when the blocked rooms are gone – they be gone! **The DEADLINE to get a room is July 10th!!!** After that the block will be removed and you may be at the KOA in a pup tent. Always ask for the Great South HOG blocked room unless you want to pay a premium price.
